THE COMMONER

I know I wasn't given an epic destiny to follow. I know I'm not cut out for this work. But I'm not waiting for destiny to choose me. I'm going to choose my destiny.

|---|---|
| [X] Adaptability: Gain a unique Ability based on your profession or position in society. [] Optimistic Healer: You want to prove your worth in any way you can; this has led you to practice the art of healing. Get +2 to any healing you perform. This can be applied to consumables, Spells, or other Abilities. This cannot be used to increase the healing given on Hold Moves. [] Peace of Mind: You know what it's like to be truly afraid and are able to talk others through a panic. Perform an Influence Task as a Quick Action to calm someone down. On a roll of: • 8 - 10, they are calmed and cleansed of all other mental Status Effects. • 11 - 12, they are cleansed of mental Status Effects and +1 Forward. • 13+, they are calmed, cleansed, and gain +1 Ongoing while within melee distance from you (for the rest of Danger Time). • On a Miss, the person acts on instinct and performs an Action at their own expense. [] Oh, gimmie a break!: You can't help but stumble into danger. As a Reaction, you can perform a Luck Task on yourself. On a roll of: • 8 - 10, you luck into some advantage, but your situation gets worse in another way. • 11+, you avoid the attack entirely and gain some kind of benefit. • 13+, you gain an incredible benefit while forcing a negative effect on the attacker (if used in combat). • On a Miss, the consequences you would have faced are made severely worse. | [] Respecting Authority: You recognize that your companions have more experience in a crisis. Whenever a hunter performs an Order or Convince Task on you, you can choose to allow it to succeed as though they rolled a 12; if you do, get +1 Ongoing when doing as instructed. You cannot be knocked Prone or affected by any Status Effect that would directly prevent you from completing your goal. [] Pitiful Demeanor: Your general lack of competence and capability make you look unassuming. Perform an Influence Task. On a roll of: 8 - 10, enemies won't want to bother with you and will not Target you until you perform an impressive feat. 11+, enemies won't Target you or even look at you granting you stealth from all enemies. On a Miss, any enemies in the room see you as an easy kill and focus on you. [] Self Sacrifice: You have acknowledged that you don't have the same combat abilities that your peers have, so you find other ways to give to the cause. When resting at a Base Camp, receive +1 Natural Healing. You can choose to give up all your Natural Healing to tend to the other Hunters, giving them +1 Natural Healing instead. [] Survival Instincts: Whenever you're present for a crisis or dangerous situation, hold 3.
